

Mission of the Avoca Main Street is to sustain our downtown district as the economic cultural and social center of our community by utilizing the four point approach of the National Main Street Trust.

Main Street Update Newsletter

April 2017

Thank you for your support, Avoca!

Last month we enjoyed our second St. Patrick's Day Celebration, and we want to thank all the folks who attended and pledged their talents or their dollars to Avoca Main Street, Inc. We also have to thank our excellent community volunteers who make it all happen. We had a wonderful performance of "The Sweet Vale of Avoca" by residents Jerry Conroy, Roger Nelsen, and accompanied by Shirley Pattee. Our official Avoca troubadour Roger Kubik and his accordion stylings were featured throughout the evening. Rhonda Hope designed eight delightful games (with motivating prizes) to keep younger guests entertained, and Peggy Jacobsen photographed visitors having fun with costumes and props provided by our Promotions Committee members. Every volunteer was essential to the event's success, but we wanted to highlight the talent of these few in print particularly.

Our next event relies on the skills of the golfers in the area and the wonderful setting of the Avoca CountryView Golf and Grille. Our volunteers will once again be ensuring a successful event to support the work of Avoca Main Street. Teams and business sponsorships are assembling now, so let us know if you want to participate!

Mission of the Avoca Main Street is to sustain our downtown district as the economic cultural and social center of our community by utilizing the four point approach of the National Main Street Trust.

Our vision is to grow and enhance the quality of life and promote historical preservation in our downtown district, ensuring a healthy, inviting and vibrant future for our community.
